Colecraft - 40ft Trad Stern called Coco Canal

£ 35,000

Description

For Sale 'Coco Canal' Length 40ft, Beam 6ft10ins, Built 1989 by Colecraft with a trad stern and powered by a Bmc 1500 Diesel engine. This boat has had a lot of recent upgrades including, NEW DOUBLE GLAZED WINDOWS in 2025, new cratch cover in 2022 and extensive internal modifications. Entering from the bow of the boat is the living area with a solid fuel stove, sofa and free standing storage unit. Next is the galley with 2 ring gas hob, 240 volts grill and oven, fridge, stainless steel sink, modern worktops and units, and a tiled splash back. Moving backwards is the bathroom with a shower compartment, hand wash basin in a vanity unit and a porta potti toilet. Towards the rear of the boat is the bedroom with a fixed double bed, electric heater and storage. The boat is nicely decorated throughout and has a feeling of having very little use since the upgrading was completed. The new double glazed windows have box blinds fitted, making them feel very neat and tidy. The Engine is a BMC 1500 and the engine bay is again nicely painted and very clean. There is a 3000 inverter and a battery charger. The hot water is provided by a gas water heater which is fitted in the engine room. The hull was blacked in 2025 and it has a boat safety cert to August 2028. Coco Canal is priced at £35,000 and is available to view by appointment at our Shardlow Marina Sales office. To book an appointment or for further information, please contact David on 07721 382619
